DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 1, 4 and 6-23 are rejected under 35 U.S.C. 102(b) based upon a public use or sale of the invention.

In Applicant's Information Disclosure Statement filed September 29, 2003, Applicant makes the explicit statement that the instant invention was sold to retailers beginning at least as early as February 1999 (which is more than 1 year prior to the date of application for patent which is 03/06/2000 of parent U.S. Application No. 09/518,830). Applicant admits that this mop as represented by the instant invention had all the elements recited in the current version of claims 1, 4 and 6-23 of the instant application.
